AIMS AND SCOPE

Southern African Peace and Security Studies (SAPSS) publishes rigorous theoretical and empirical research in all areas of peace and security studies concerning the region of southern Africa, with a particular focus on practical policy-oriented research. The journal will also address evolving developments within the discipline. Articles address critical themes or case analyses and are contextualized within the scholarly and policy literature and existing debates on peace and security in Africa. Each issue contains a mixture of peer-reviewed research articles, policy briefs and book reviews. SAPSS is an open access journal and all articles published are available online at www.saccps.org/journal.

Southern African Peace and Security Studies is published online two times per year by the Southern African Centre for Collaboration on Peace and Security (SACCPS), www.saccps.org.
